

Dear Families and Caregivers,

We know that missing school isn't easy for your kids—or for you. But we also know that there are simple ways to turn unexpected time at home into exciting opportunities for your students to learn, think, and grow.

That is why we've created Scholastic's Learn at Home website. This free resource provides your children with 20* days of exciting articles and stories, videos, and fun learning challenges. Children can complete them anytime, in any order. They can work on their own or together with you and your family.

www.scholastic.com/learnathome

Our active learning journeys are available on any device and will provide your child with up to three hours' worth of exciting learning experiences per day. They can go on virtual field trips, meet best-selling authors, or dig deep into a topic they love.

We hope that you and your children stay safe and healthy, and wish you the best of luck during this stressful time.

With best wishes from all of us at Scholastic,

A handwritten signature in black ink, reading "Lauren Tarshis".

Lauren Tarshis
Sr. VP, Editor in Chief & Publisher
Scholastic Classroom Magazines

If you have any questions or suggestions, please reach out to me at ltarshis@scholastic.com.

*The site will be updated weekly until all 20 days of content is available.

Hello,

To help families across the U.S. whose schools are closed in these difficult times, Age of Learning is working with our school and district to provide **free home access** to ABCmouse *Early Learning Academy*, Adventure Academy, and ReadingIQ during the period of the closure. These leading digital education programs include valuable educational content for Pre-K, elementary, and middle school students.

Interruptions in learning due to school closures can be a challenge for children's academic growth and development, and their need for stability and consistency. When in-school learning isn't possible, using research-based learning resources at home can help children stay engaged, provide them valuable learning experiences, and maintain some continuity in their lives.

By visiting the links below and entering your code, you will have free home access to these digital programs on computers, tablets, and smartphones during the period of closure. ABCmouse and Adventure Academy are used while connected to the internet. ReadingIQ can be used in offline mode once your account is created and books are downloaded on to a device. These programs can also be accessed using your free account at public libraries and other public locations with Internet-connectivity.

Redeem Code: SCHOOL7771

(This code will work for all 3 products.)
