

Empowering Culpeper will be holding USDA food distribution on April 18, 9:00-11:00am at the Culpeper County Sports Complex, 16358 Competition Drive, Culpeper (adjacent to Eastern View High School).

PLEASE NOTE: Cars must enter the Sports Complex from Jonas Road, just past the Complex, and then a left turn onto Competition Drive. Do not enter the Complex from Cyclone Way. We will hold a drive-thru distribution and you will be directed where to go in your car and food bags will be placed in your trunk or backseat. For the protection and well-being of yourself, your family and our volunteers, we strongly ask that you do not leave your car for any reason.

Currently USDA has temporarily waived normal income eligibility and registration criteria for all families. When you arrive, if you have a question about food pick-up you will have an opportunity to speak to a volunteer as you go thru the pickup process. For questions you may have prior to April 18th, please email empoweringculpeper@gmail.com
