

Culpeper Human Services (CHS) will open on Monday, October 5 for scheduled appointments. Capacity is limited. Please call 540-727-0372 from 8:00 am – 4:30 pm to schedule an appointment with your worker. CHS will continue to provide Benefit Services for Intake and Renewals with telephone interviews. We will complete business, as much as possible, with emails and telephone calls to protect the safety of the Community and the Agency.

Anyone who comes to the agency without an appointment will be asked to call 540-727-0372, and instructions will be provided.

For the safety of the Community, please review the screening tool posted on the front door. If you answer yes to any of the screening questions, we ask that you not enter the building. Please call 540-727-0372 for guidance.

Clients and workers will be required to wear a mask. If you do not have a mask, we are able to provide you with one.

Paper applications and requested documents may be dropped off in the drop box. The drop box is located at the end of the sidewalk to the right of the front door. The drop box is checked several times a day.
